IMPORTANT INFORMATION - PLEASE READ HOW TO CHOOSE A CONTRACTOR

(10 things you need to know before hiring a contractor)

1. How long has this company been in business?
2. How experienced are they in what they do?
3. Do they have at least 10-20 local references from previous years of service to show they are an established company and they have been providing quality work?
4. Are they in good standing with the (BBB) Better Business Bureau? Are they a member?
5. Do they carry proper insurance necessary to complete my job?
6. Are they a local established company for my city, neighborhood, and or community?
7. Did they itemized everything in my bid that they promise to deliver?
8. Did they omit any important detail in my estimate they provided?
9. Do they cut corners with their products and or service in order to get their lower price?
10. Can they provide long term warranty services, if necessary for my job?
